Mission/Vision Statement

We are the “Home of Home Textiles”, achieving our target by fulfilling our Customer’s Expectations within timely Delivery of required goods and services as per their Specifications, through continuous Improvement, and by providing necessary training of the Staff in a Congenial Work Atmosphere.

History/Background

We stepped into Home Textile on the 57th year of last century. Years of experience have carved us with excellence in manufacturing sector. We are continuously striving to achieve higher Targets and have presently expanded our operations to a much broader scale.

Awards/Achievements

Within the period of half leap year, the company had been recognized by the FPCCI (Federation of Pakistan Chambers of Commerce & Industry), and was awarded with the best merit trophy for the export of home textile items for the sessions 1995 to 2017 consecutively in a row.

Even today, we are striving to achieve maximum merits and aim towards being large-scale, efficient and reliable exporters.
