HANDS - FREE SLOW JUICER AUTO10S

The perfect choice with an automatic hopper and cutting technology combined!

AUTO10S

Save time and effort with the 3,000ml auto hopper and integrated cutting technology.

Preserve the freshness of nature with

INNOVATION AND TECHNOLOGY

The automatic cutting mechanism

Features shredding blades at the top of the screw, boosting cutting efficiency and maximizing juice extraction. maximizes cutting efficiency and ensures optimal juice extraction from your ingredients.

Enjoy fresh, nutrient-rich juices every time.

By using a cold press juicing method, we preserve the taste and texture of the ingredients, ensuring that their freshness is fully retained.

More variety and versatility

LARGE-CAPACITY AUTOMATIC HOPPER

Large-capacity automatic container

The 3,000ml automatic container allows you to add ingredients whole, reducing prep time by eliminating the need to cut them.

Convenient Hopper-hole

Add ingredients through the auto hopper-hole in the hopper while the machine is ON.

Safe and user-friendly

CONVENIENT FEATURES

Secure locking system

The safety system ensures the machine runs only when all parts are securely locked, providing worry-free operation. ensuring everyone can enjoy healthy, fresh juice with confidence.

Rotating cleaning brush

Effectively removes residue and keeps everything clean.
