

BALTEX

About

Established in 2002, Shanghai Baltex has been actively engaged in the home textiles and home décor industry for two decades. Throughout these years, we have consistently delivered exceptional products and superior services to our valued customers.

We have a keen sense of awareness regarding emerging trends, allowing us to provide insightful recommendations to our global clientele. This not only helps our customers realize new ideas but also solidifies our reputation as a trustworthy supplier and a reliable long-term partner.

Better service and Less cost. This is our commitment.

Social Responsibility

We value social responsibility audits and hold comprehensive environmental certifications for our entire supply chain, from upstream to downstream. We are committed to collaborating with our customers in the pursuit of sustainable development.

We possess certificates GRS, RCS, BCI, and FSC. Additionally, our suppliers hold certifications like GOTS, OEKO-TEX, OCS, and many more across various categories.

Supplier Chain

We have a showroom located in Shanghai, where customers can explore a wide range of product categories.

In addition, we proudly own our factory in Zhejiang, specializing in the production of various home textile products such as quilts, bedspreads, cushions, and more.

Furthermore, we have established strong and enduring partnerships with reputable suppliers in the vicinity of Shanghai. These suppliers excel in specialized categories, such as knit throws and blankets, and are based in Jiangsu and Zhejiang.
