About BAOSIYI

Hangzhou Baosiyi Textile Co., Ltd. is both the factory and the trading company specialized in manufacturing and exporting beddings and home textiles. Our factory building located in Xiaoshan District of Hangzhou, China, where is very famous for down/feather products. We are only 100kms from both Shanghai and Ningbo port, and is only half an hour by car from Hangzhou Xiaoshan International Airport, which makes our factory a center with very convenient transportation.

We have a whole set of workshops, advanced technologies and equipment to produce down duvet, microfiber quilt, mattress topper, mattress pad, pillow, cushion, blanket etc. Our products mainly export to Europe, America, Australia, South America, the Middle East and the other countries and areas. Meanwhile, we are always working on humanized production management and contemporary enterprise culture. Now we are a member of Sedex and have been granted authorization according to Oeko-Tex standard 100 to use Oeko-Tex mark. With our motto “quality first, credit essential” our company will always focus on the product quality and service to meet clients’ requirement.
