COMPANY PROFILE

诸暨金尚镁进出口有限公司
ZHUJI KSM I&E CO., LTD

Ever since the establishment of the company, we have been always upholding the operating philosophy of "survive through quality, develop through credibility, market oriented", keeping upgrading our equipments and technicians to improve the products level and production efficiency. Our leading products are polyester fabric, home textile, curtains, tablecloth, sofacovers bennies etc, which have been sold far to and well received in Europe, South & North America, West Africa.

Looking into the future, we are ready to cooperate with our friends from around the world for mutual development.
