CRISHOME

Founded in 2012, **CrisHome** is a company proud of its Portuguese roots and traditions and with a desire to make 'dreams made of the future' with our clients.

Inspired by the comfort of our clients, we can offer you...

- customized and innovative home textile solutions for **bed, bath and table**;
- permanent availability of a **+40 colour stock** in satin and percale fabrics;
- the excellence of a **personalized service**;
- shared commitment to **agreed deadlines**;
- up-to-date **design trends and concepts**;
- wide range of patterns available in different textures and fabrics such as **satin, percale, dyed yarn, jacquards, linen, waffle, seersuckers, embroidery, twill, panama, among others**;
- highly skilled and **motivated team**.

By crossing different make-up and textures details with our inspiring sources and up-to-date trends, CrisHome achieves a distinctive authenticity for the home textiles business, already recognized in markets such as **Holland, Greece, France, Israel, Mozambique, Germany, Mexico, USA, Belgium, Estonia, among many others**.

At Crishome we design home textile concepts, providing integrated collections that include: **sheets, quilt covers, cushions, decorative pillows, bath towels, table cloth, blankets, comforters and baby products**.
