LANEROSI

Lanerossi porta con sé una storia lunga più di duecento anni. È una storia di lavoro appassionato, di ricerca e innovazione, una storia guidata dalla volontà di fare le cose per bene, con cura e amore, per ogni casa e ogni famiglia.

Lanerossi abita la casa di chi si vuole bene, arredandone gli ambienti con cura e calore.

Lanerossi carries more than two hundred years of history, telling a story of passionate work, research, and innovation, a story driven by a desire to do things right, with care and love, for every home and every family.

Lanerossi fills the homes of loved ones, furnishing rooms with care and warmth.

Un tuffo nell'archivio storico riporta ispirazioni di superfici vibranti e contorni sfumati che trovano vita in classici rivisitati, come il tartan reinterpretato nella forma e nel colore, fantasie floreali contemporanee, geometrie evanescenti, come se dipinte su tessuti di lana.

Una nuova idea di biancheria da letto, raffinata e attuale, abbinata alle coperte più iconiche di Lanerossi: pura lana e cashmere in nuance ton sur ton dai dettagli sartoriali, l'innovativa Thermocoperta tinta unita double face.

Lanerossi, since 1817

A dive into our historical archive has brought back inspiration for vibrant surfaces and blended contours that come to life in revisited classics, such as our tartan reimaged in shape and color, contemporary floral patterns, and floating geometries, as if painted on woolen fabrics.

Our new idea of bedding is refined and up-to-date when combined with Lanerossi's most iconic blankets: our innovative solid color double face Thermocoperta is made from pure wool and cashmere in tone-on-tone nuances with tailored details.

Una nuova idea di unito, ispirandosi all’archivio storico di Lanerossi: fili di lana che sembrano increspati dall’acqua diventano colore che sfuma sulla superficie di lenzuola, copripiumini e federe, mescolandosi con raffinatezza al colore di base.

A new idea of tone-on-tone color has been inspired by Lanerossi’s historical archives: wool threads that seem to have been moved and rippled by water become color that fades onto the surfaces of sheets, quilt covers, and pillowcases, and that blends with the base color in a sophisticated manner.

Parure lenzuola matrimoniale abbinata alla calda e morbida coperta in pura lana merinos double face.

Double bed sheet set combined with the warm and soft pure merino wool double face blanket.
