ABOUT COMPANY

Artex home fashions introduces itself as a leading manufacturer and exporter of an extensive range of home furnishing products that are exclusively conceived and designed. We are socially compliant factory and abide by all the local laws .

The company is run by a team of professional managers and workers who are well versed with the craft and quality standards in the industry. The entire team is working efficiently to meet the quality requirements and delivery schedules of various customers.

Our core competency lies in the development of new designs using fancy yarns, latest colors and fabrics which helps us to provide our customers with new designs and trends, well ahead of times, in the home textile industry.

Over the years we have created a niche in the field of scatter rugs, bath rugs and cushion covers. We have an extensive range in these product categories based on our experience of over 37 years in this home furnishing industry. We have recently added placemats, runners and poufs in our product range.

OUR GOALS

● We strive to achieve the maximum level of customer satisfaction by offering the best of our products and services to our globally spread clients at competitive prices.

● We are always looking for dynamic entrepreneurs who can be our business associates and share a mutually beneficial relationship with us.

We offer a comprehensive range of home furnishing products that include:

PRODUCT RANGE: OUR STRENGTH AND EXPERTISE
