Like a work of art, a beautiful rug celebrates personal taste, and the Sikri collection holds fast to that. Each rug boasts a sun-washed look, and like cherished heirlooms, the patterns have been faded for a worn appearance while maintaining the freshness of a new rug. Contemporary color palettes and over- scaled patterns create a softened, almost water-colored presence that transitions beautifully with any décor. Each of the designs in this collection features hand-knotted construction and hand serging, which is then finished by hand. The low pile and open back construction make these rugs easy to move and perfect for high traffic areas in your home. Options include: area rugs in 4' x 6', 5'6" x 8'6", 7'9" x 9'9" 8'6" x 11'6", and 9'6" x 13'6" plus an 18" x 18" designer sample) and custom sizes within the parameters of 15 feet wide and 50 feet long; and broadloom applications.
