Product Story

This collection is inspired by contemporary art museums aiming to reach hand-knotted silk carpets while having a deep look at antique and old antique carpets. This collection emerged in the market by the approach of old and antique carpets with retro design style. Walking along the antique carpets instill the sense of passing through history and old memories into the customer.

Color & Design

The application of acrylic and modal silk yarns in a combination of beige, cream, light blue, blue colors inspired by old designs and antiquated structure has multiplied the beauty of this collection. Presence of this collection at home leads to the breadth of history and culture over time.

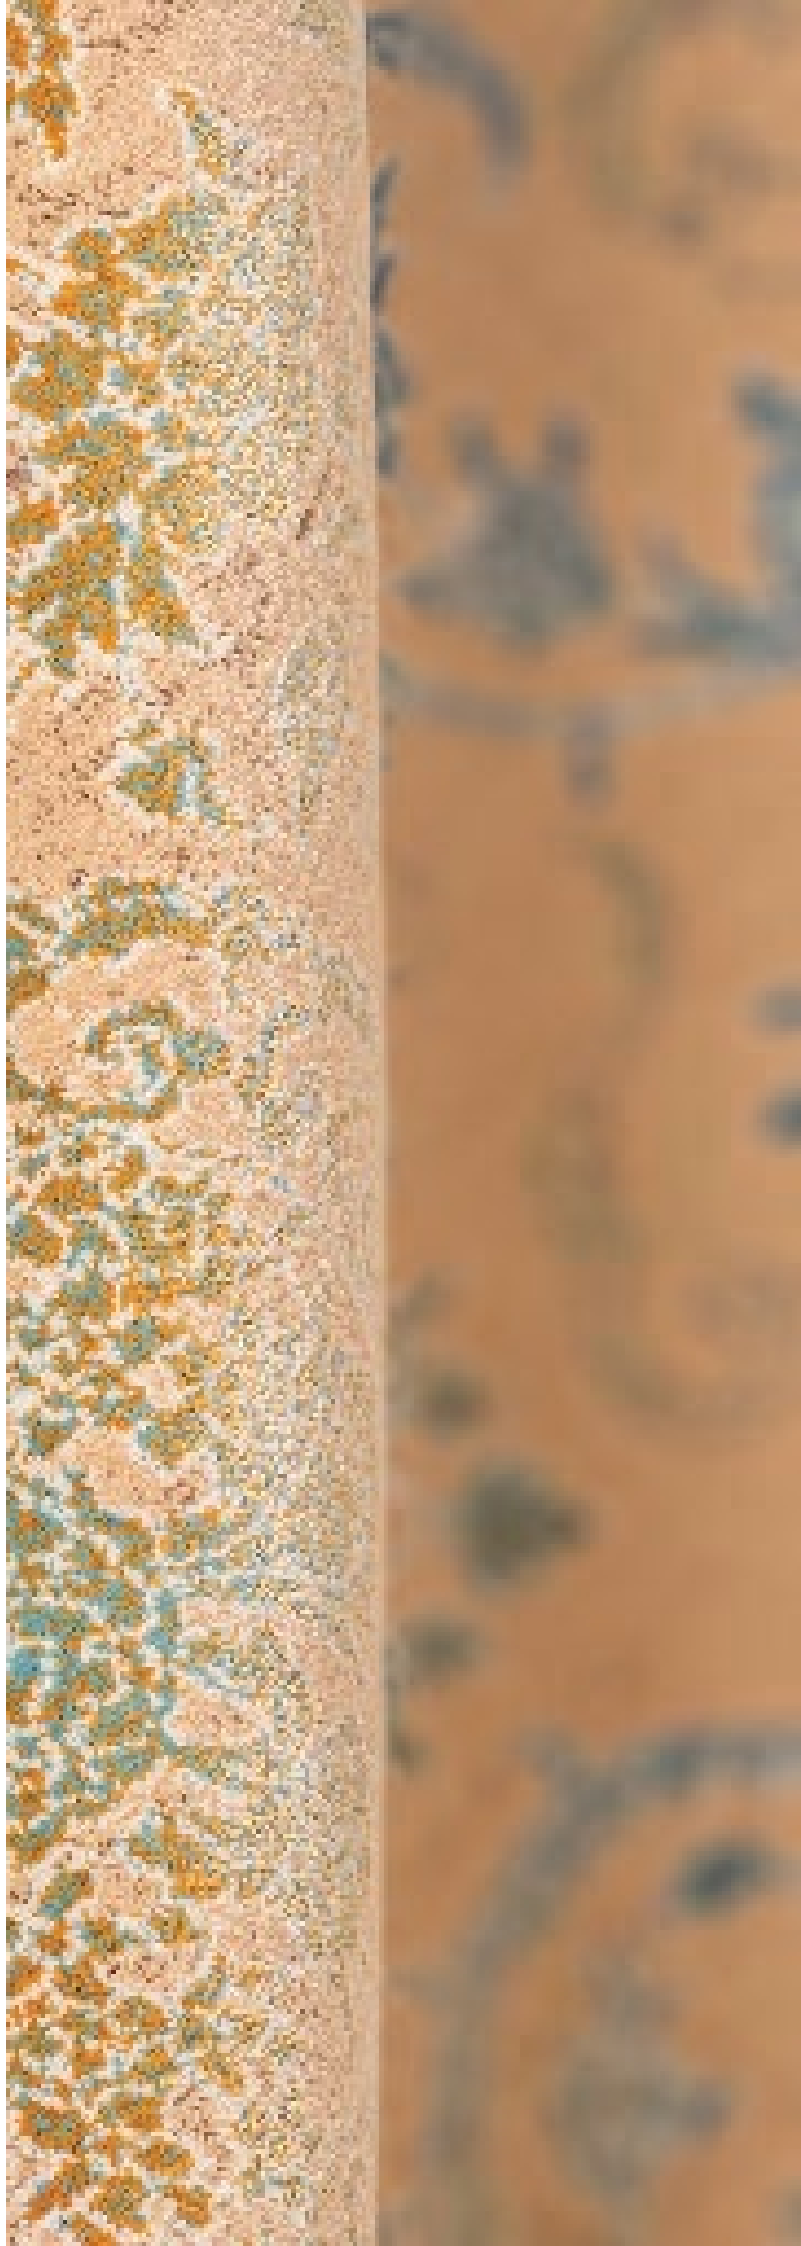

Modal Silk Yarns

Antique collection roadmap

We entered the field of home decoration to revive the authentic Kashmiri tradition and culture in a new and updated style inspired by hand-knotted silk and fluff carpets invoking the intimacy of homes.
