PU/PVC Anti Fatigue Mat

PU Anti fatigue mat effectively improve your standing comfort in the kitchen, garage, laundry room and workplace.

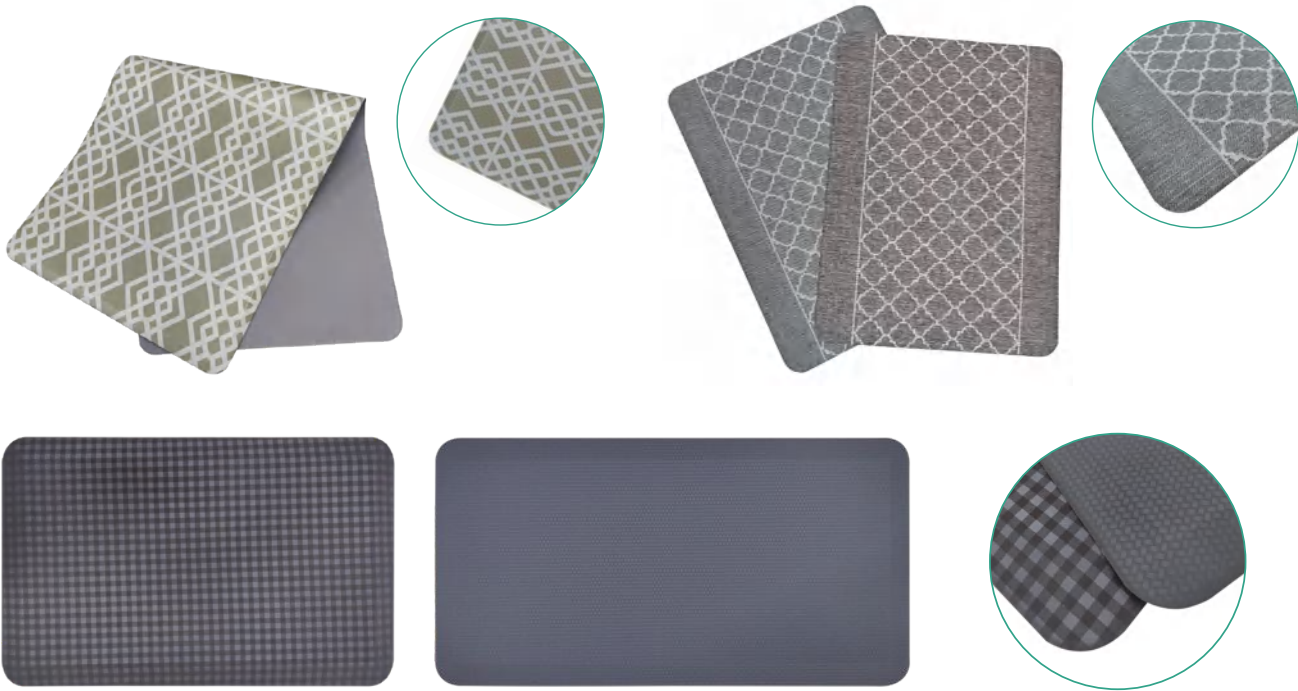

Anti-fatigue memory foam PU mat, offering maximum comfort for your feet, back and legs. Feel comfortable like walking on a firm but soft cloud when you're cooking in the kitchen or working at your standing desk.

PU/PVC Anti Fatigue Mat

The Anti-fatigue mat is thick and soft with good support and flexibility, and the closed cell foam on the bottom reduces pressure on blood flow to the feet and relieves foot and back fatigue.

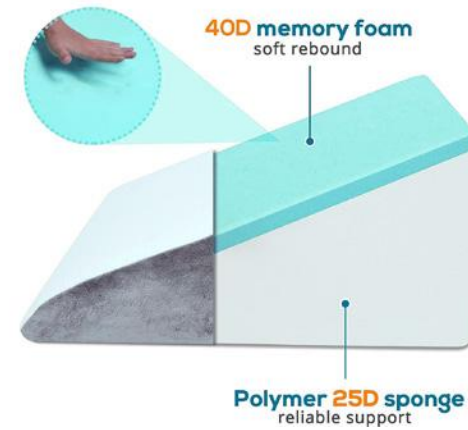

The surface of this vintage design series mat is dirt-proof and the back is anti-slip. The corner part of the edge of mat is a beveled edge design, which will not roll up the edges, and can fit perfectly with the floor, which can effectively prevent tripping.
