

Company Profile

Suzhou Eslite Textiles Company Limited, is the professional manufacturer specialize in Throw Blankets and Cushions with more than 12 years experience. We are exporting 100% of our products around the world. Our main markets are United States, UK, Germany and South Africa. We are supplying many big retailers mainly through the importers and trading companies.

Social and ethical responsibility have always been at the heart of our business ethos. Our factory have been audited for BSCI, Sedex, Disney and also some other ethcial audits for customer's standard. We have also passed the Technical Audit and Security Audit for some of our US Customers. We have the Oeko-Tex Certificate for our products as well.

Our products are produced under the strict procedures from the raw material purchasing to the final packing and delivery. All the orders are follow up with Critical Path System to ensure the goods are to be shipped on time. We have the quality control system to ensure our products are qualified and meet the customer's requirements. For example, we are keeping the internal inspection reports and colour continuity cards of each order for production tracibility.

We have a 800 square meters showroom for variety of blankets and throws. Our talented design team and the reliable sales team are offering free designs to our customers seasonally, which helps our customers to boost their business and extend their markets steadily and successfully.

We are a professional team for producing the blankets and throws. If you are looking for this kind of products, please feel free to contact us. We are confident and proud we can provide the qualified products with professional services.
