

SimpleOpulence Group

Introduction

Changshu Youth Sky Import & Export Co. Ltd is a professional company for Home living products and service. Simple&Opulence is one of our major brands for home textiles.

Simple&Opulence is a mid-sized multinational online retailer specializing in home textiles for over 20 years. Located in Suzhou, we also have several branches.

Our products are sold in many countries around the world, mainly for the United States, Europe and other developed markets, targeting middle class consumers who have certain quality requirements for household products.

We are the brand owners of Simple&Opulence, Biselina, and King Linens. You can find our home textile products from Amazon, Wal-Mart, eBay, AliExpress, Temu and other platforms.

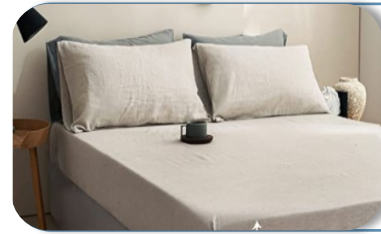

SimpleOpulence Group

Introduction

Our products have a variety of types, using a variety of high-quality fabrics, covering different use scenarios. Our supply chain was originally based in China, but due to sales and brand expansion, we plan to explore supply chain markets in other countries
