Company Introduction

公司介绍

NOW

Hebei Textiles was established in 1974. Since we began, our company has always adhered to the enterprising spirit of "unity, striving, pragmatism and dedication". Our development idea is based on sincere service and win-win cooperation. We have nearly 1000 clients from nearly 100 countries and regions around the world. To adapt to international market changes, our company has developed a whole production chain from spinning, weaving, dyeing to sewing and finishing. Our company has passed various certificates and factory audits from worldwide brands and retailers. Our products are distributed in numerous renowned department stores, chain supermarkets and exclusive shops.
