

WELCOME
TO

RIDDHI SIDDHI TEXTILE MILLS PVT. LTD.

Welcome to Riddhi Siddhi Textiles, a manufacturer and export house for Carpets, Rugs, high-end home furnishing fabrics and made ups.

We boast of an amazing variety of Jacquard and Chenille Carpets, Rugs, Bathmats and made-ups which includes cushion covers to bed and table linen, throws, and a lot more.

Come, glance through the impressive range of products. We offer at unbelievable prices. Riddhi Siddhi Textile Mills Pvt Ltd is a prominent manufacturer and exporter of Jacquard and Dobby Furnishing fabrics, Chenille fabrics, tapestries, made ups and rugs. It is based at 78th Mile Stone from Delhi and just one hour drive from Delhi near Samalkha on G.T. Road just before the historic city of Handloom, Panipat.

Incorporated in 1996, the company has made excellent progress in a short span of time. We are known as one of the best Indian manufacturers of tapestries and upholstery fabrics as well as made ups.

Mission Statement:

Our mission is to introduce newness at the best possible price, ensuring fashion is accessible and affordable for all. We are committed to delivering innovative textile solutions that combine quality with affordability.

Vision Statement:

Our vision is to integrate sustainability into every aspect of our textile production, contributing to the preservation of our environment. We aspire to lead the industry in sustainable practices, setting a benchmark for others to follow.

Core Values:

Innovation: Continuously pushing the boundaries of creativity to offer unique and trend-setting products.

Quality: Maintaining the highest standards of quality in every product we manufacture.

Sustainability: Adopting eco-friendly practices to minimize our environmental impact.

Affordability: Ensuring that our products are accessible to a wide range of customers without compromising on quality.

Ethical Practices: Upholding strong ethical standards in all our business operations and ensuring fair treatment of our workforce.

DESIGN & DEVELOPMENT

In house designing department that keeps coming up with fresh and innovative designs and colour schemes. It also keeps a tab on the latest designs and trends. Fusion of machine-made and handloom products

In-house Research & Development department to develop and alter samples as per the customer's specifications and requirements.

OUR QUALITY SYSTEM

We have our internal quality system to check quality of materials and finished goods at every stage to avoid quality issues at last moments. Few quality steps are as per mentioned below.

- We check natural material's quality as per required standard before proceeding for next process like weaving, dyeing... etc.
- We check fabric quality on loom and off loom.
- We check color matching and other required qualities during dyeing and printing.
- We check finishing of goods, labeling and other packaging steps very carefully to deliver perfect packed goods to our valuable customers.
- We follow AQL system for inspection.
- We also follow quality system as per buyer's requirements.

In-House Manufacturing

In house weaving unit capable of supplying large quantities of shuttle less Jacquard & Dobby furnishing fabrics. In addition to this we make Chenille yarn In-House with Sensor-On machines which helps to maintain the best quality of Chenille yarns.

We have more than 50 Jacquard and Dobby looms In-House with warping facilities.
