♥ NO GROUT ♥ NO MESS ♥ STRONG ADHESIVE

WALL TILES

Give your kitchen or bathroom a makeover without the mess of traditional tiling with these innovative self-adhesive wall tiles. Perfect for kitchen and bathroom splashbacks, these tiles are great for DIY projects, as they are easy to apply and require no grouting. Simply peel off the backing paper and stick the tile to the wall. They can also be easily cut to size with scissors or a cutting tool, so you can customize them to fit any space. And if you're ever tired of your look, the tiles can be easily removed without damaging the surface underneath.

With a range of styles available including modern Scandi and decorative Moroccan inspired designs, as well as contemporary marble and sleek slate options, you're sure to find a tile that suits your taste.
