CURTAINS & DRAPES

TAB TOP CURTAINS

Tab Tops are great to use as a decorative curtain or panel over a window with blinds to add color or texture as side curtains.

There are a variety of curtain styles that contribute to the feeling and décor of a room, from casual to formal, classic to trendy.

The style of a curtain, combined with color, pattern and texture, sets a mood and makes a statement about your unique decorative style.

EYELET CURTAINS

Eyelet curtains are the first choice for people with modern and trendy

BACK TAB CURTAINS

These curtains are best for a tailored look without the fuss of clips and pins.

ROD POCKET CURTAINS

These curtains are the evergreen and classy way to hang drapery. Mostly used with Valences to conceal the rod.

CURTAINS & DRAPES

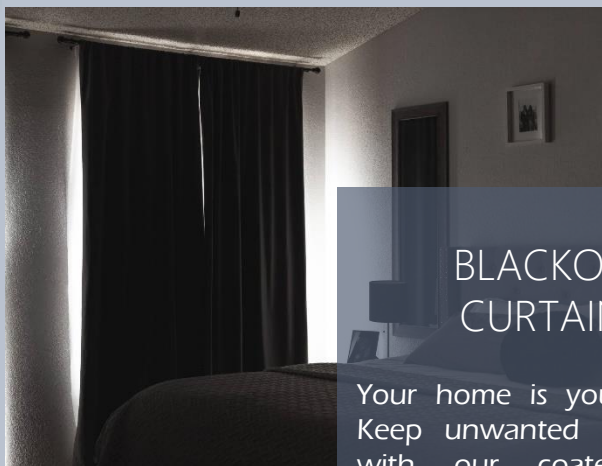

TAPE CURTAIN WITH SWAG

The perfect way to frame an amazing view outside your window is by pairing Swag Drapes with Decorative Curtains Rods.

VERSATILE PLEAT CURTAINS

The perfect way to frame an amazing view outside your window is by pairing Swag Drapes with Decorative Curtains Rods.

BLACKOUT CURTAINS

Your home is your sanctuary. Keep unwanted light at bay with our coated blackout curtains range.

CURTAINS & DRAPES

JACQUARD CURTAINS

The regal vibe for your home décor is easily achievable by dressing your windows with these curtains.

These woven textured fabric used in our Jacquard curtains is not only durable but also gorgeous to look at.

SHEER CURTAINS

The instant infusion of style into to your interior décor is brought on by the lightweight fabric.

Sheer Curtains are excellent for softening the light or as a layered treatment for windows.
