100% Carded Cotton

#### Weight:

400 gr/m<sup>2</sup>

#### Dyeing Process:

Reactive Dyed / Piece Dyed @ 60°C

#### Origin;

Pakistan

#### Instructions;

- To make sure that your towels stay fresh, you need to wash and dry them properly.
- Wash towels separately from all other items of clothing.
- Use warm water to wash towels in order to avoid color bleeding.
- Always use a mild detergent when washing towels.
- Always use a mild detergent when washing towels.
- Do not use fabric softeners as they decrease the life and fluffiness of your towel.
- Do not use bleach at any stage of washing and drying.
- Before drying your towels, toss them lightly to make the surface of towels stay fluffy.
- If you are using a dryer, should remove towels from dryer when they are 95%-97% dry.
- Hang them up afterward in an area with good air flow.
- Dry towels immediately after washing. Longer wait will grow more mildew on towels.
- It is best to dry your towels in direct sunlight. Do not use an iron on these towels.
