COMPANY PROFILE

Handloom Textile Industry is one of the oldest industries in the world and is unique to this part of the world. It has the advantage of bringing to the customer in one corner of the world, a product done with the personal care and work of a weaver sitting in front of a loom in another corner. Thus, bonding a lasting, emotional human relationship.

Our Business is established at Karur, the Handloom Capital of India. From here, our products have travelled all across the globe, bringing color and warmth to the homes of thousands of people.

Our company is a family organization existing in textile business of Home Textile since 1960. In the 63 years we have been in this industry, we've consistently impressed our clients by our commitment to quality and our ability to deliver ON TIME.
