

The background is a rustic stone wall with two arched niches. In the top left and center, red heart-shaped lanterns hang from green vines. A large, round, woven bamboo lantern hangs in the top right. Two large, ornate ceramic pots, one blue and one red, sit on the ground flanking the sofa. The sofa is covered in a bright blue cloth and has two blue rectangular pillows and two square pillows with a red and yellow floral pattern. In the foreground, a wooden chessboard with black and white squares and pieces is set up on a small wooden stand. To the right, a white wicker chair with a colorful patterned cushion is partially visible.
