

Soft | Cool | Luxurious | Eco Friendly | Sustainable

PERFECT BLEND OF LINEN AND LYOCCELL

LINACEL has been crafted to create a unique linen blend with a soft hand and beautiful drapeability. LINACEL can be created as a classic solid dyed sheeting or as a beautiful yarn dyed chambray and dobby. It is manufactured under strict ecological requirements in compliance with OekoTex 100 standards and is sustainable. It is naturally strong, durable and resilient with moisture management properties.
