WHO WE ARE?

Ines Teks is a manufacturer of home textile products dating back to 2009. Having experience in home textile for more than 13 years. We have become one of the largest Turkish tablecloths exporters. We have two factories in Istanbul and Bursa.

We offer various products such as;

- Tablecloths
- Curtains
- Runners
- Napkins
- Placemats ETC.

WHO WE ARE?

Ines Teks Textile adapts the mission of always improving themselves. Our main focus is customer satisfaction. We have various qualities such as Polyester, Cotton, Linen, Jacquard, and mixed fabric from 140 cm to 340 cm.

Ines Teks Tekstil is based on customer satisfaction with the principle of "Always for the better, further". Combining quality with affordable prices, bringing the products together with customers in a good way in a short time, has been the reason why it is preferred by our valued customers.

Ines teks is a trendsetter for the markets of Turkey and the whole world with its rich models and patterns that you have difficulty in choosing, and innovations suitable for today's trend.

INSPIRING CONFIDENCE

CERTIFICATE

The company

Ines Teks Tekstil San. ve Tic. Ltd. Sti
Hürriyet Mah. Malazgirt Cad. No. 29/A Güneşli
34209 Istanbul, TURKEY

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use
the STANDARD 100 by OEKO-TEX® mark, based on our test report
21.0.76373

for the following articles:

Home textiles- table cloth, placemat, runner, curtain, cushion case, napkin made of reactive and/or disperse dyed (with or without metalized yarn) woven fabric produced from polyester/cotton, 100 % polyester (also with disperse and sublimation print); including accessories (sewing yarn, eyelet, zipper, embroidery, heading tape, woven and printed label); exclusively produced from material certified according to STANDARD 100 by OEKO-TEX®.

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Annex 4, **product class II** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Annex 4 for products with direct contact to skin.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate 20.HTR.14572 is valid until 31.08.2022

Boenningheim, 08.09.2021

INES TEKS WORLDWIDE

Ines teks has been serving all over the world for many years. Knowing that each country's market is different, and chooses products suitable for them.

You can come across our products in many different locations such as Europe, America, the Balkans, the Middle East, Russia, the Arabian peninsula, North Africa and etc.

You can see our new collections at Heimtex in Germany and Hometex in Turkey twice a year.

HOW WE WORK?

We are very excited to work with you. It is our duty to present the fabrics suitable for your market by listening to you in the best possible way, both in online and face-to-face meetings. You can see us not just as a supplier, but as your partner in your business.

We offer you collections by consulting you with our professional teams and listening to your wishes well.

Price offers are made on the fabrics you like and samples are sent. After that The proforma with all the products and information is sent for your approval.

After your proforma approval, the products are started to be produced. Except for some products, the production process takes between 4-6 weeks.

When your order is ready with the packaging you want, the shipment process starts
