

As Gürsan Tekstil, it has been our biggest goal since our establishment to provide good service to our customers. With the technological investments, we have made our company one of the best companies in Turkey. We are working to improve our products with our expert staff.

With our team, we are on the way to become the first choice of companies in the world, taking into account the demands and recommendations of our customers. In order to achieve this goal, we continue our production with quality certificates that are valid worldwide. Our certificates that certify our quality can be listed as OEKOTEX, ISO 9001, ISO 14001, ISO 45001 and BSCI. In addition to these, we have met all the requirements of our customers who have carried out extensive inspections.

OUR VISION:

To be the leader of the home textile, fabric, towel and bathrobe industry with our traditional and technological products, giving importance to the environment and human health, by adding value to our stakeholders, with the awareness of our social responsibility, with continuous improvement studies and innovative approaches.

OUR MISSION:

With our innovative team, which is experienced, dynamic, educated, environmentally friendly, aiming to increase the quality of life, acting ethically, in the home textile, weaving, knitted fabrics and towels, bathrobe sector in the textile sector, we make customer-oriented production with the latest technology, high quality and efficiency.

We produce solutions for your needs with product models that are more important than the other in bathroom textiles, with their stylish and soft texture, which wraps your skin and which are suitable for use and your eye pleasure, supported by new generation technologies, and which also take good care of you.

Coton Delux consists of product ranges and different size options. It gets its soft texture and fast absorbing power, which is good for your body, from the fact that it is 100% cotton and the quality of 20/2 yarn.

Coton Delux products pamper our skin with their silky texture and our bathrooms with their stylish design.
