ORIGINAL DESIGNS AND QUALITY PRODUCTS

Vantry World S.L. distributor of REIG MARTI brand stands out for being attentive to technical advances and the latest aesthetic trends that arise within the sector.

The emphasis and investment of REIG MARTI brand to guarantee the quality of its products is the main reason for the brand's prestigious position in the market.

ECO FRIENDLY

We are committed to the environment and many of our products are sustainable.

All our bedspreads are made in Spain.

In addition, many of our fabrics are made in part with recycled yarns.

VANTRY WORLD offers a wide range of high quality fabrics for contract textiles. We manufacture collections of fabrics with FR (Flame Retardant) "Class 1" certificate, and fabrics that allow industrial maintenance and washing at 60°. As we are the manufacturer, we have the ability to transform fabrics into ready-made products: runners, bedspreads, cushions...

We provide a range of possibilities easily adaptable to the needs of our customers.

CONTRACT TEXTILES

MADE IN SPAIN

The Valencian Community is one of the best places in Spain to start and grow textile businesses.

And it is the heart of Vantry World skills, technologies, innovation and production: MEDITERRANEAN ATTITUDE
