INTRODUCTION

Embodying a legacy of nearly two decades, FAMOUS TEXTILE INDUSTRIES stands as a pioneering force in the textile industry, renowned for delivering premium-quality textiles. Our unwavering commitment to excellence in both products and services has propelled us to this distinguished position. Recognizing that superior production hinges on a seamless fusion of cutting-edge technology and skilled personnel, we have vertically integrated our operations. Our manufacturing prowess spans weaving, knitting, lamination, packing, and stitching, ensuring a comprehensive approach to delivering the highest standards of quality.

OUR VISION

Our Vision Serves as the framework for our roadmap and guides every aspect of our business by describing what we need to accomplish in order to continue achieving sustainable, quality growth.

OUR MISSION

We believe in fair, honest business and strive to achieve our goals and fulfill our commitment. Our quality is the real essence of production and we feel satisfied as we always ensure quality.

Departments & Frame Work

Merchandising

FTI boasts a highly skilled and professional merchandising team, serving as a vital link between our esteemed buyers and the factory to achieve global customer satisfaction.

P.P.C

Our Production Planning and Control (P.P.C) department serves as the backbone of every factory, prioritizing a specialized and skilled team to ensure seamless operations.

Knitting & Weaving

In our Knitting & Weaving department, cutting-edge machines are deployed, operated by a skilled team focused on producing high-quality textiles. Precision in fabric production is paramount to meet the exacting standards of our products.

Cutting

Equipped with cutting-edge systems, our Cutting department efficiently minimizes fabric wastage, contributing to resource conservation.

Stitching

The stitching hall houses over 100 stitching machines, including flat lock, overlook, and lock stitch, managed by skilled professionals dedicated to precision.

Packing

Quality control in packaging is paramount, ensuring customer satisfaction. We uphold rigorous standards to guarantee the excellence of our packaging.

Fabric Inspection

Product inspection is conducted by an experienced and qualified team, meticulously checking colors, GSM, shrinkage, stitching, packing and other essential factors. As manufacturers of home textiles and garments, our commitment to quality extends to every facet of production, and we take pride in exporting products that meet the highest standards.
