At Ciel Home Decors, we are dedicated to making your home a haven of comfort and your baby's world a realm of sweetness and security. Our specialty lies in crafting exquisite Knitted Jersey Sheets, Printed Jersey Sheets, Bedding items like Waffle Blankets, Comforters, Duvet Covers, and a range of baby and mother essentials, including baby bedding, crib protectors and pregnancy pillows.

- Our Journey:

Ciel Home Decors was born out of a passion for creating homes and nursery spaces that radiate warmth, charm, and unmatched quality. Our founders, driven by their love for design and a keen eye for detail, embarked on a mission to provide families with the best in comfort and aesthetics.

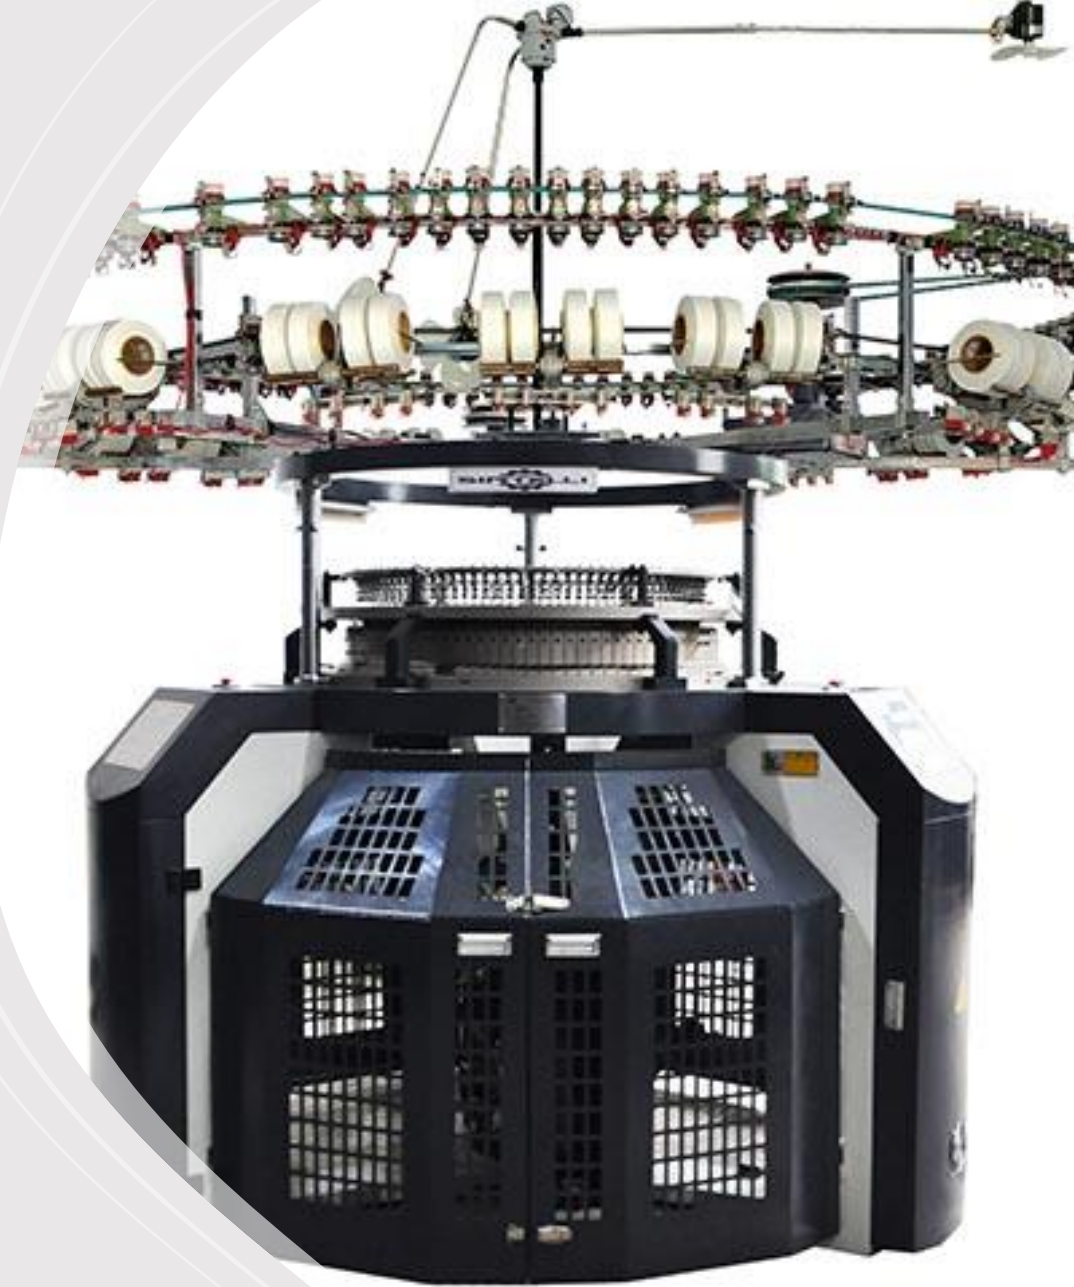

- Our Certifications –
Oeko-Tex Class 1 and Sedex:

Our commitment to quality and sustainability is not just a promise; it's a guarantee. Ciel Home Decors proudly holds certifications from Oeko-Tex Class 1 and Sedex, reflecting our dedication to responsible and ethical practices in the production of our goods. These certifications reassure you that our products meet the highest standards of quality and safety while respecting ethical and environmental considerations.

- What Makes Us Unique:

In-House Wide Width Knitting Machines: At Ciel Home Decors, innovation is at the heart of what we do. We proudly operate our own in-house knitting machines, which serve as the backbone of our operations. These advanced machines allow us to create unique, high-quality knitted products with precision and efficiency, ensuring that each item bears the hallmark of our dedication to perfection. We are also able to make California King Sizes with our wide width machines.

Baby's Best Friend: Our baby essentials, including baby bedding and crib protectors, are designed with utmost care, ensuring that your little one's world is safe, cozy, and filled with love.

Our cutting and stitching department is equipped with cutting-edge technology and a team of skilled professionals. The heart of our operation lies in our 50 cutting-edge stitching machines that ensure precision, efficiency, and consistency in every stitch.
