

EASY TO CLEAN
UPHOLSTERY FABRIC COLLECTION

Experience the Difference: The Future of Home Living

Ateja brings you an upholstery fabric crafted to make home life simpler, softer, and cleaner. Our fabric's innovative design allows you to easily wipe away everyday stains and spills without any need for harsh chemicals or special tools - just a quick wipe, and it's like new!

Feel the luxurious softness with every touch. Our fabric not only adds a cozy warmth to your furniture but also ensures durability, standing up to daily wear without losing its plush feel. It's tested to stay soft and beautiful, even with frequent use, providing your home with lasting comfort and style.

Our fabric has undergone extensive testing to confirm its resistance to 18 common household stains. Additional in-house tests have proven its ability to repel 39 different stains. Plus, its stain-resistant properties remain effective through multiple wash cycles up to 10 wash cycles, ensuring long-term ease of maintenance.

Upgrade your space with Ateja's easy-to-clean, ultra-soft upholstery fabric, comfortable choice for a modern, hassle-free home.

INTERNATIONAL CERTIFICATION:

Cleaning Instruction

Our fabric is treated with an eco-friendly Water Repellent CO coating. This special coating is free of harmful chemicals and designed for easy care. Light to stubborn stains can be easily removed without the need for special tools or cleaning agents.

Initial Cleaning Stage

Remove any loose dry or liquid soil from the fabric using a spoon until the area is clean.

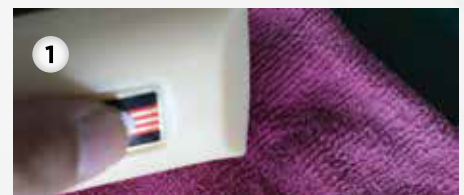

Dampen a microfiber cloth with a little water.

Gently rub the remaining stains on the fabric with a damp microfiber cloth until the stains are gone.

Stubborn Stain Removal

Apply bar soap to the previously dampened microfiber cloth. Rub until foamy.

Gently scrub the stubborn stains with a foamy microfiber cloth. The soap will help to loosen the dirt and grime, making it easier to remove.
