ACTS OF SUSTAINABILITY

* Aim to become carbon neutral by 2030.

ROOF TOP SOLAR

10.8
MW

13296
Tones

66480
Trees

With the inauguration of 10.8 MW rooftop solar power units at Mohan Spintex, we are taking a major step towards clean energy. This initiative will help us avoid 13,296 tonnes of CO₂ emissions annually, which is equivalent to planting 66,480 trees every year — reinforcing our commitment to environmental stewardship and sustainable operations.

COAL FREE STEAM GENERATION

Coal replaced with rice husk

2,57,220
Trees

- We've replaced coal with rice husk for steam generation – reducing emissions and promoting sustainable agro-waste use.
- Which Avoids **54,444** Tonnes of Co₂/Annum & Equivalent To Plantation. Carbon emission is 95% less compared to Coal usage.

ZERO LIQUID DISCHARGE

We are committed to sustainable manufacturing. Our state-of-the-art Effluent Treatment Plant (ETP) enables us to recover up to 98% of water from process discharges. This treated water is then recycled and reused, significantly reducing our freshwater consumption and environmental impact.

RAIN WATER HARVESTING

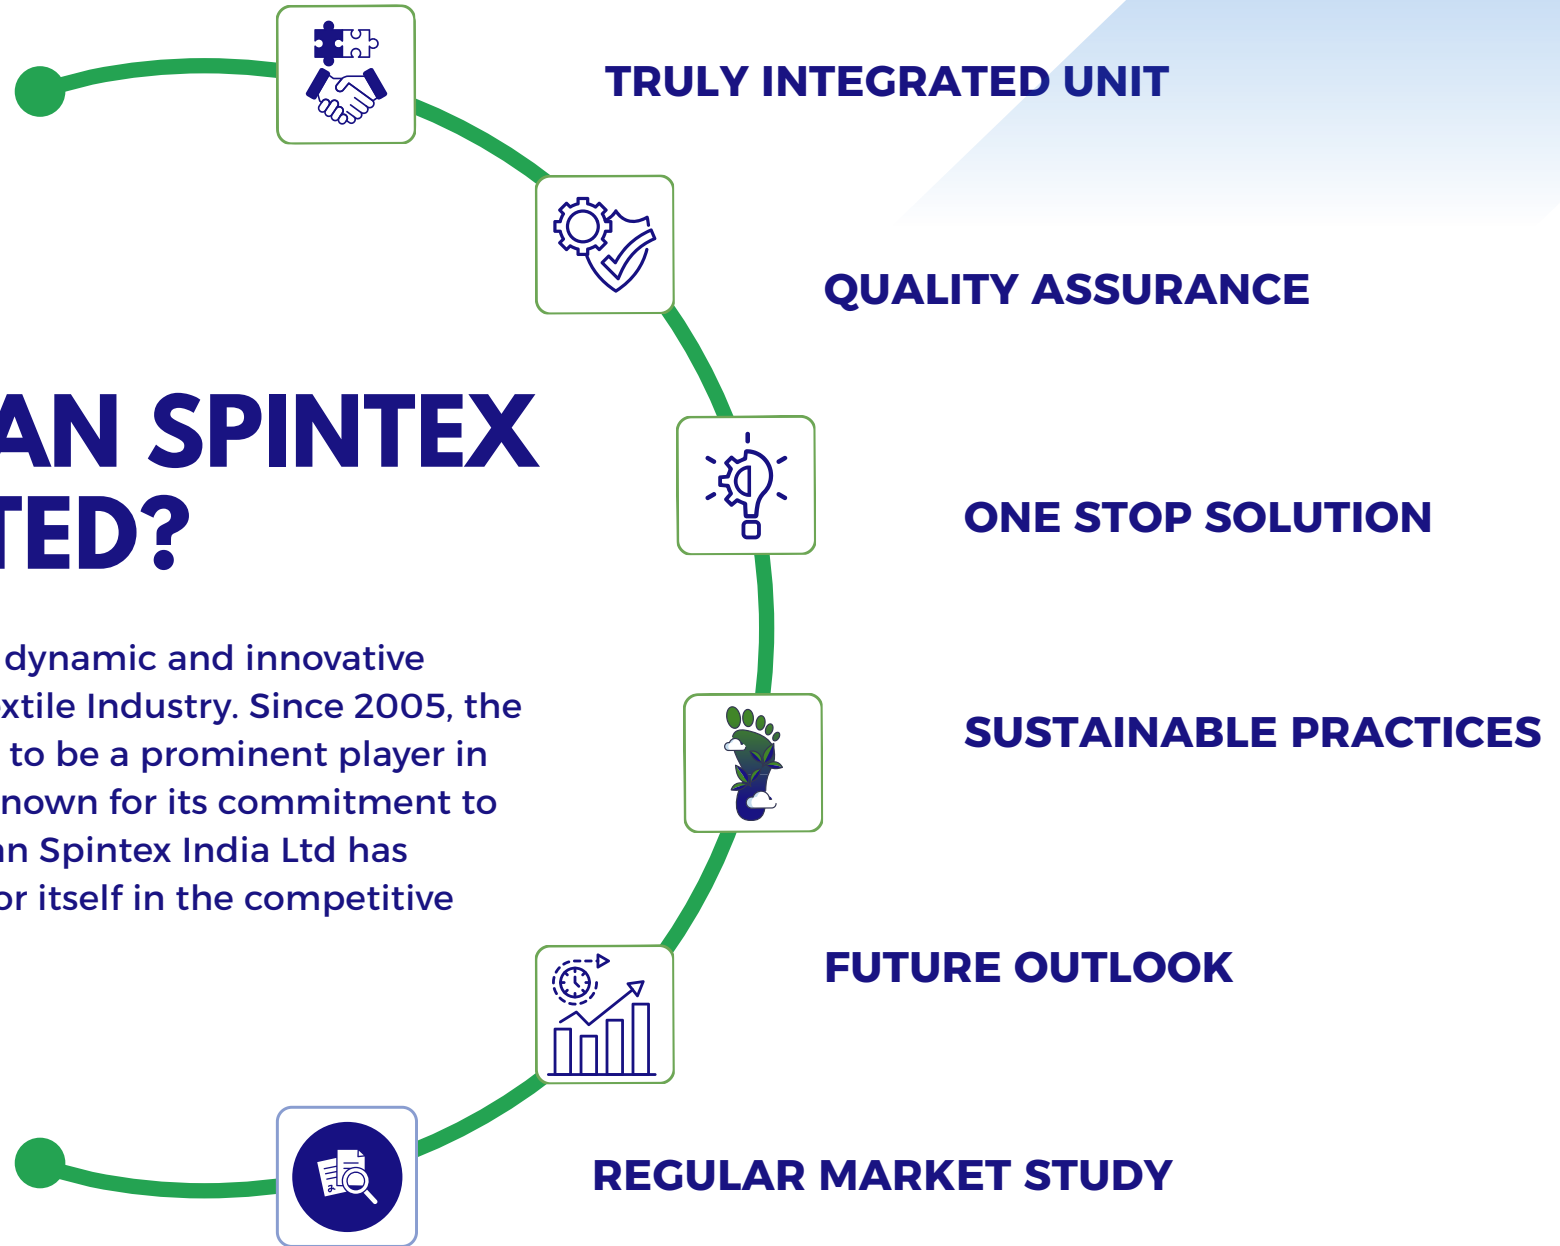

20 Mn
Litres

We have implemented rainwater harvesting systems that can collect and store up to 20 Mn. Litres of water. These systems include both roof and non-roof collection methods, ensuring that we maximize our water resources. And there by reducing the dependence on ground water.

WHY MOHAN SPINTEX INDIA LIMITED?

Mohan Spintex India Ltd is a dynamic and innovative company operating in the Textile Industry. Since 2005, the company has steadily grown to be a prominent player in the Home Textiles division. Known for its commitment to quality and excellence, Mohan Spintex India Ltd has successfully carved a niche for itself in the competitive business landscape.

VISION

- To be a Global leader in the industry we serve.
- To adopt best practices for continual improvement and for the needs of customers/industry.
- To implement best sustainable practices for conservation of the planet.

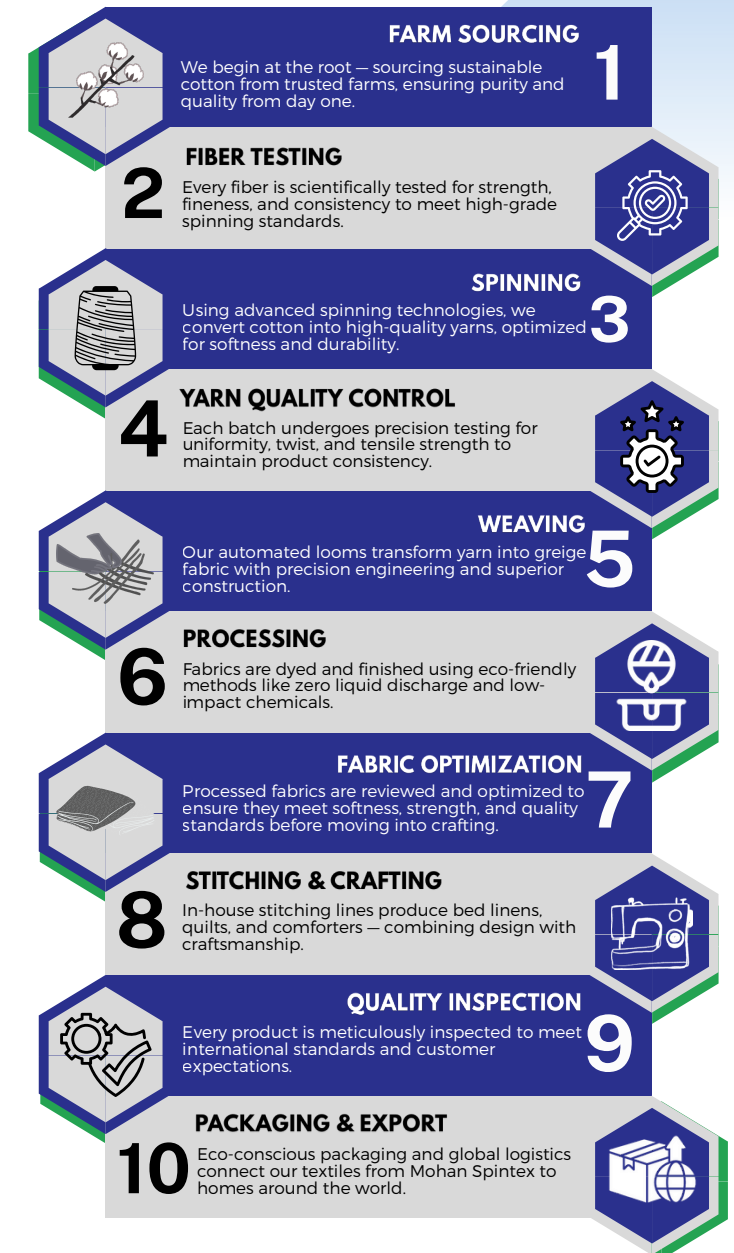

MISSION

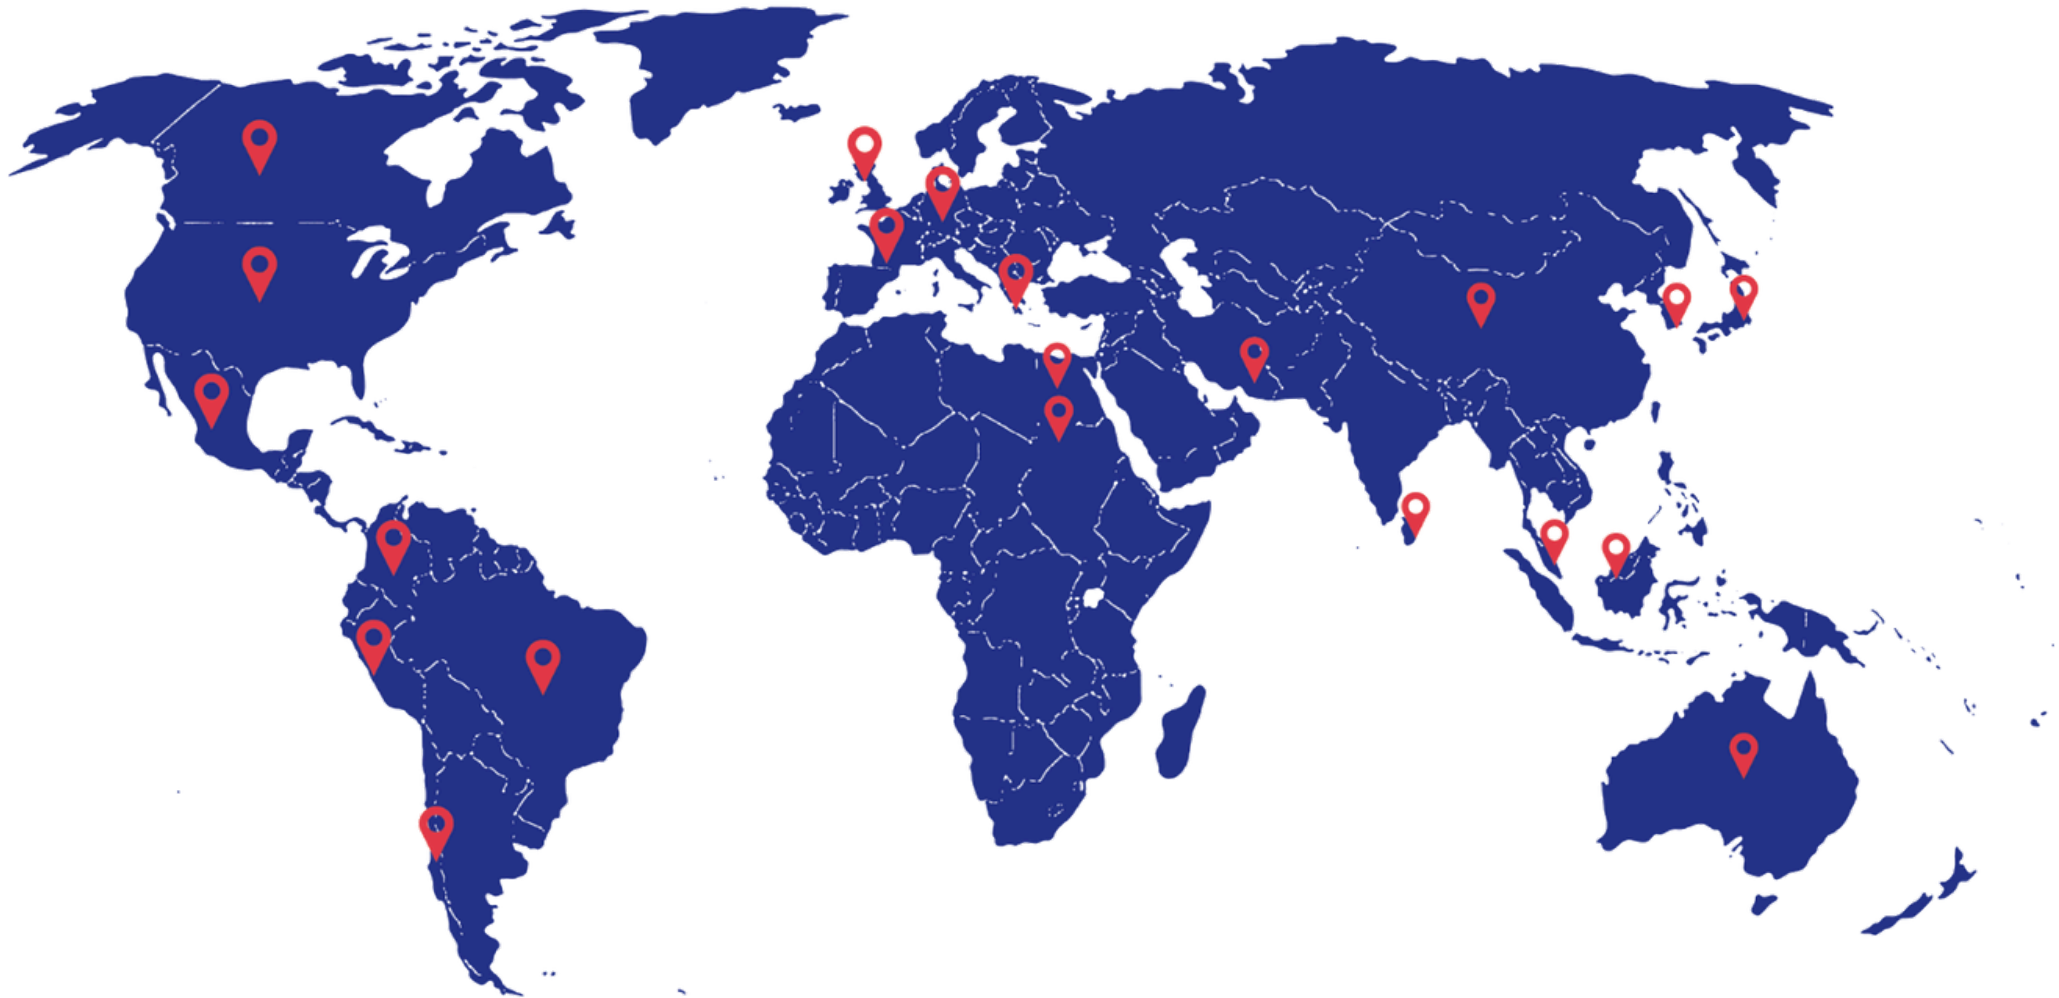

- Creating a sustainable & value driven organization by involving all its stakeholders.
- Offer innovative, customised and value added Products & Services to customers.
- Constantly upgrade technology and the skills to cater to the ever changing need of customers.
- Becoming a process driven organisation.

STORY OF CRAFTING COMFORT

- Ever wondered how a simple fiber becomes your favorite bedsheet?
- At Mohan Spintex, every thread tells a story – of tradition, technology, and comfort.
- It begins with pure cotton, cleaned and spun into long, strong yarns. These threads are then woven on hi-tech looms, forming the base of our fabric. What follows is a journey of dyeing, printing, washing, and finishing – all tailored to create softness, durability, and beauty.
- But what truly sets us apart?
- Our premium blends – from 100% Organic GOTS & BCI cotton, to cotton-polyester, modal, viscose, linen, lyocell, Tencel, and even luxurious Supima & Egyptian cotton. Each offers a unique feel, look, and performance.
- From bedding sets to table linen, our products combine design, density, and durability for exceptional comfort and long-lasting quality.
- We don't just grow – we grow responsibly, with eco-conscious practices at every step.
- Because at Mohan Spintex, quality isn't just delivered – it's woven into who we are.
- From fiber to fabric, from legacy to innovation – we are Mohan Spintex.
