is granted authorisation according to STANDARD 100 by OEKO-TEX® to use  
the STANDARD 100 by OEKO-TEX® mark, based on our test report  
**22.0.14902**

for the following articles:

**Woven terry towels and bed linen made of 100 % cotton in bleached white, yarn dyed, solid dyed (vat and reactive) as well as cotton blended with LENZING™ Lyocell RB LF in reactive solid dyed, silicone softener and hydrophilic softener finished, including accessories (sewing thread, woven and printed labels); produced by using materials certified according to STANDARD 100 by OEKO-TEX®.**

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Annex 4, product class II have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Annex 4 for products with direct contact to skin.

The certified articles fulfill requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.
