

**Egyptian Cotton Hub** is the sales and marketing arm of the **Cotton & Textile Industries Holding Company (CTIHC)**, backed by 98 years of unparalleled expertise in the textile industry. We specialize in producing high-quality yarn, including **premium compact cotton yarn**, leveraging the legacy of iconic factories such as **Misr Spinning & Weaving El Mehalla El Kobra** and **Misr Shebin El Korn Spinning & Weaving (Shebintex)**, with a strong focus on finer counts. As a key player in the National Textile Mega Project, our spinning capacity is set to reach **105 tons** per day, further solidifying our commitment to excellence and innovation in the textile sector.
