Founded in 2015, we are Manufacturer and Exporter of Indian Handicrafts to clients globally.

We are acknowledged for our professional approach in creativity, design and exclusive products.

Our global team includes designers and trend-experts who work daily to ensure that our products shall be tuned with the latest trends and with reliable global compliance. We have well developed infrastructure & support systems, adding backward integration processes, commissioning a number of machines and improving the quality of work force through skill-development programs. We are one of the major innovators in the handicraft's exports market. We are committed to achieving the highest standards when meeting the needs of our customers through competitive pricing, quality, and reliable delivery. By leveraging our global network, market knowledge, and advanced technology, we have the capacity and flexibility to rapidly respond to evolving trends in consumer and production markets.

Our business is built upon our people, our time-honored values, our approach to sustainability through the entire supply chain, and our community engagement.

Our global network, financial strength, and leadership are the platform for our continuous success and future growth.

OUR VALUES

With its five core values (Customer Focus, Excellence, Versatility, Community and Teamwork), the company progresses to create products for more loving and sustainable homes.

Customer Focus

We know that our customer comes first. With that mentality, we give our best to understand their needs.

We persevere in maintaining our strong customer relationships through professional standards, mutual respect and industrial knowledge.

Excellence

With past years of experience, we have built a strong passion for our products. We understand that every product is unique, and therefore, we employ the best techniques, people and ideas to cater to meet customers' expectations.

Versatility

With our range of multi-material products, we are experts in the craft. We bring together a diverse group of individuals that develop ingenious solutions in wood, metal, glass, ceramic and marble decorative, lighting and furniture products.

Community

At Senses Lifestyle, we believe that the people and the environment are the core components of a healthy and prosperous society. We take sustainable initiatives to respect our environment and provide training to our employees.

Team Work

We believe that success is the by-product of a team that learns together, respects each other and works towards a common goal. At the company, we provide an inclusive environment that allows individuals to be creative and innovative.

OUR TEAM

We are supported by a team of adept and creatively exceptional designers, merchants, and craftsmen. Their knowledge and creativity have always done wonders for us as we are able to present our customers with a range of exquisite handicrafts. Always willing to learn and improve their skills, these designers welcome the feedback of customers with open arms and are always ready to incorporate the latest trends prevailing in the handicrafts sector.

PRODUCTION PROCESS

GOAL

- Highest Quality
- Shortest Lead Time
- Lowest Cost
- Transparency

At Senses Lifestyle, we engage in re-engineering of products by integrating a variety of materials through innovative design interpretation ideas. This allows us to add new functionalities and take advantage of emerging technologies to provide a wide array of high quality finished products.

Our State-Of-The-Art manufacturing Unit in Moradabad, Uttar Pradesh, is our pride & Job. Spread across 2,50,000 sq ft., it is equipped with the latest Machineries. We have a production capacity of over 3,00,000 units per month and use nothing less than exceptional raw materials to manufacture products for you.

QUALITY ASSURANCE

In an attempt to provide the best quality products to our customers. We ensure that the products are durable and of premium quality.

At Aspirations, we lay strong stress on maintaining global standards of quality to facilitate excellence and perfection in each of the products.

Using A-grade raw materials, we get well carved and smooth textured wooden handicrafts that are heralded as an all time masterpiece by our clients.

The manufacturing process is accomplished under the careful supervision of our expert quality control analysts. As a result, our products are left with a negligible degree of error. Commitment to quality has, therefore, been the driving force behind our growing success.

CUSTOM DESIGN

Being a highly customer oriented concern, we offer our customers customized handicrafts as per their requirements. Various color combinations, designs and patterns are carefully worked upon by our craftsmen and designers, keeping in mind the expectations of our customers. Thus, we have obtained a massive client base spread across the globe, and have established ourselves as a name to be relied upon.
