## *Our Story:*

- ❑ Sharco group was established in the year 1989.
- ❑ Started manufacturing and exporting of home furnishing textile with emphasis on throws, plades, cushion covers, dec pillows, table linen, Christmas articles and and high fashion scarves.
- ❑ Gradually, the firm established its name in the world market.
- ❑ Sharco is having its self-owned three factories which are operating respectively at D-41, H-116 and H-117 in Noida (Sector-63), UP, India. Besides this, Company has self-owned permanent showrooms in India Expo Mart, Greater Noida, where the prestigious fairs like IHGF takes place twice in every year.

## *Our Directors:*

❑ Mr. Sanjiv Jain entered into the international business in the year 1985, subsequently, he formed Sharco Exports (P) Ltd. In the year 1989.

❑ Firm has achieved remarkable progress in the field within a very short span of time.

❑ Ms. Sangeeta Jain entered the export business in the year 1994.

❑ Soon, her designs became popular among the world market and appreciated by many top brands in the world.

❑ She holds Master's degree in Textile designing.

❑ Under the guidance and fabulous experience of Sanjiv Jain and Sangeeta Jain, Sharco continue to remain one of the top companies in the handicraft-based textiles. Through innovation and constant improvement, we look forward to build up more landmarks in the textile industry.

## *Operations & Products:*

- Innovation is the key of our business.
- We make throws, cushions, table runners, tree skirts, stockings and scarfs by mixing various yarns like cotton, linen, wool, polyester, acrylic, nylon etc.
- We highly emphasis on sustainable, eco friendly and recycled made ups. Accordingly, we source the raw materials from various parts of the country.
- For dye work, we use chemical free and azo free dyes in strict compliance with the European standards.
- From designing till the successful delivery, we give utmost importance to all the technical and social compliances..
- We keep on developing the new styles/designs.
- We have a strong team of merchants, designers and production managers.
- We constantly communicate with our customers/buyers to understand their preferences and trends.
- We give extra importance to the packaging as per international standards..
