

CATALOGUE 2024

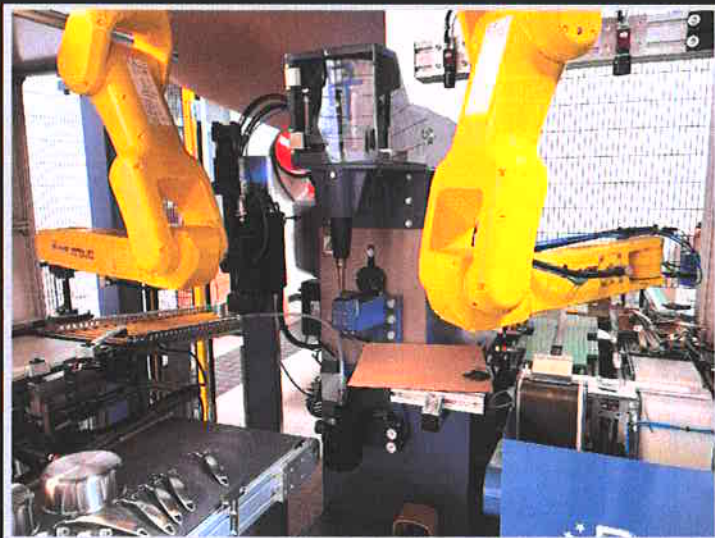

CIS FRANCE

Since 2018 CIS FRANCE is a part of CIS GROUP, owning also LAST LINK, a 23 000 SQM logistical company based in center of France. LAST LINK is very convenient to deliver each part of France.

Initially a marketing and trading company, CIS FRANCE is now a French factory producing about 20 000 pieces per day in aluminum and stainless steel with a “Made in France” stamp.

All ranges should be turned in a private label.
