

# OVER 150 YEARS OF EXPERIENCE & CRAFTSMANSHIP

1

## 1880's

Originally a bicycle-making business A.H. Haden Motorcycles in Hockley, Birmingham, started in the late 1880s

## 1905 - 1931

New Comet were motorcycles designed and produced from 1905 to 1931, by Alfred Hamlet Haden

## 1944

Twin brothers, Donald & Denis Haden became involved in manufacturing Bescol kettles

## 1958

The brothers split & Denis Howard Haden founded his own separate company D.H. Haden Ltd. to manufacture electric kettles

## 1958 - 1980's

D.H. Haden Ltd pioneered in manufacturing electric kettles

## 1981 - Present

Haden becomes synonymous with the words 'Electric Kettle'

## 2 HELLO AND WELCOME

Haden started its journey manufacturing bicycles on British soil in the late 1880s. We entered the world of kettles in 1958 and haven't looked back since. We continue to focus on Haden's heritage in pioneering colour and design that is 'Quintessentially British'. We have continued this theme with our latest ranges. We hope you are as excited as we were in developing these collections. Without further ado, please sit back, relax and enjoy your cuppa while turning the pages.

### QUINTESSENTIALLY BRITISH

We take inspiration from all things British, both classic and modern. We create our collections with colours influenced by British homes, architecture and landscapes. All this makes us a brand that offers beautifully designed quintessentially British appliances!

### QUALITY AT AN ATTAINABLE PRICE

We pride ourselves on our products being of the highest functionality, appearance and certification. All of this quality, priced to be accessible to many.

# Bristol

Haden has created this kettle in a distinctive and Quintessentially British shape, reminiscent of a stove top kettle with a modern twist.

The temperature gauge allows you to see when the water has reached the optimal temperature for specific cups of tea and even coffee! We've created a beautiful matching 4 slice toaster which has 6 browning settings and extra wide slots. With the Haden Bristol range you can start the day right.

# Cotswold

SAGE

PUTTY

Drawing influence from the beautiful English countryside, the Cotswold is inspired by quaint village life. Our classic Sage is inspired by the front doors of English cottages and Putty is reminiscent of leisurely muddy walks in the charming British countryside.

# Devon

This range focusses in on the stunning British coast line of Devon. We are inspired by the stunning sea hues and texture of the waves and have replicated this on the texture of our appliances.

The Devon kettle is rapid boil and features an ergonomic handle, as well as being lightweight. The toaster has wider than average slots and 6 levels of browning control. The Devon breakfast set marks a new era for Haden, the go to British breakfast brand.

# JERSEY

Looking back to the traditional days of boiling water with a stove top kettle, we have fashioned a modern kettle from the styling of the past. Named after Jersey, an independent and modern island with a historic story, it's colourful past drew us to Putty and Rectory Red within this stunning range. The kettle benefits from a temperature gauge incorporating both beauty and function so you can enjoy your favourite tea at the ideal temperature. Matching four-slice toasters feature a removable crumb tray, variable browning control, cancel, defrost and reheat functions.

# Salcombe

Did you know that shipwreck and gold coins were found at the bottom of the sea in Salcombe? It gave us the inspiration for a toughened Black and Copper kettle and toaster. Our Deep Teal range is reminiscent of the beautiful Salcombe waters, a rarity in the UK, the water is as blue as in the Caribbean. Now available in elegant Cream and Copper.

# STOKE

Our new Stoke kettle and toaster has a super sleek brushed stainless steel finish. The perfect duo for a modern kitchen, we have drawn inspiration from Stoke's Shelton Bar, a major steelworks that used to have five coal mines and a complete railway system, producing everything from car tyres and railway lines to bridges. The kettle features a 1.7 litre capacity, water level gauge and a light indicator that is illuminated whilst boiling. Matching two slice toaster is available.
