The best Latin America design of 2024

See all the honorees of Fast Company's 2024 Innovation by Design Awards in the Latin America category.

BY **ANDREA HERNANDEZ**

The Latin America category of **Fast Company's Innovation by Design Awards** honors the most innovative designs in Latin America. This year's winner, **Ball's Braille-embossed can**, is an aluminum can for still and sparkling water, with Braille labels cleverly stamped into the lid. See all of the honorees below.

FINALIST

Cast Iron Signature Series

Victoria

This story is part of Fast Company's 2024 Innovation by Design Awards. Explore the full list of companies creating

*products, reimagining spaces, and working to design a better world. Read more about the **methodology behind the selection process.***
