ABOUT US

Founded in 1991, EFE GLASS has been a leading manufacturer of high-quality glass products for over three decades. Our commitment to excellence and innovation has positioned us as a trusted name in the glass industry. With a robust semi-automatic production our capacity of 22 tons per day, we specialize in producing exquisite glassware and lighting glass solutions tailored to meet the unique needs of our diverse clientele.

Our range of products includes tabletop items such as plates, bowls, glasses, vases, also, chandeliers, bathroom glass accessories, and decorative lighting fixtures. Our advanced production techniques, which include centrifugal casting, mouth blown glass, and pressing, ensure that we can produce a variety of glass products with precision and quality.

ABOUT US

With the new investments, we started to process borosilicate glass under the new brand name “Borosilica”. Borosilicate glass is suitable for dishwasher and microwave. Borosilicate glass is heat resistant up to 300°C. Also it is environmental friendly and %100 recyclable. Our product range in borosilicate glass is expanding every other day.

As a globally recognized exporter, EFE GLASS proudly distributes its superior products to clients all over the world. Our products serve a wide range of sectors, including hospitality, home decor, retail, and commercial lighting. Our state-of-the-art manufacturing facilities and dedicated team of professionals ensure exceptional quality and customer satisfaction, enabling us to continuously push the boundaries of glass technology.
