Kilner® Fresh Storage

The new and improved Kilner® Fresh Storage is a practical and stackable food storage collection that is a sustainable alternative to plastic and can be used throughout the cooking process, from conception to consumption.

Freshness is key when storing food and this unique air-tight glass storage solution is simple and effective. Made from durable borosilicate glass, the range is freezer, microwave and oven safe (bases only).

Glass is the perfect material for storing food; it does not stain, absorb odours or harbour flavours and is easy to clean. Perfect for batch cooking and saving leftovers, reducing food waste.

Kilner® Herb Keeper

Keep fresh grown or store-bought herbs fresher for longer, for up to 3 weeks, with this easy-to-use Kilner® Herb Keeper. Soft, tender-stemmed herbs such as basil, parsley, mint and coriander last longer when stored in a container with their stems in water.

The unique design includes a silicone rod and circular disc containing different hole sizes to accommodate a variety of herb stems, maintaining an upright position. Designed to be kept in the fridge, or on the kitchen countertop out of direct sunlight, this Herb Keeper is perfect for keeping herbs fresh and ready to use, with less waste.

A step-by-step booklet is included in the set with illustrated instructions and suggested recipes.

RRP: £12.00
