★ 2025 ★

We are makers, bakers, and decorators passionate about bringing fun and sweet delight to people.
We believe baking is the most delicious expression of love, and there's no bad day as long as there's decoration.
We exist to spread the joy of decorating and sprinkle happiness into every bite of life. Let's bake a better future.

Since 1929, Wilton has stood for the love of confectionary art, and the joy decorating creates. The Wilton story began with one man's passion for beautiful bakes, that became a school of baking and decorating, and today is a household brand making sweet memories even sweeter in millions of homes.

With an unwavering commitment to quality, Wilton's founding passion for spreading the magic of baking and decorating has stood the test of time, still promising inspiration and wonder with every Wilton W.
