STEEL
HYDRATION
SERIES

Milton is one of the leading manufactures and marketers of houseware products in the country. Since our inception in 1972 we have established a network of over 55,000+ retailers, and strategically-placed manufacturing, units across India. This has allowed us to constantly move forward in our endeavor to innovate better and more efficient products for our customers.

Our unwavering commitment to this goal, has won as loyalty in India, and across more that 60 countries worldwide.

Milton, along with Claro, Spotzero and Treo is a part of the Hamilton Group of companies.

OUR CAPABILITY

If the name, Milton, brings on nostalgia about school-day tiffin meals, reminds you of daily office-squabbles for hot food from your colleagues' lunch boxes, or invokes memories of so many houseware products that brought convenience to life, then you already know who we are and what we do. To introduce ourselves formally, Milton is one of the leading manufacturers and marketers of houseware products in the country. We are the authors of Change, Innovation and Evolution in all we do.

Since our inception in 1972 we have established a network of over 55,000 + retailers, and a host of strategically-placed manufacturing units across India; this has allowed us to constantly move forward in our endeavour to innovate better and more efficient products for our customers. Our unwavering commitment to this goal, has won us loyalty in India, and across more than 60 countries worldwide.
