About Us

With more than 60 years of family business in this sector, our company is one of the leading actor in global kitchenware and tableware area exporting 120 countries worldwide.

Besides the international sales network, we are also one of the strongest player in local market, supplying the biggest chains such as with 8000 shops and in total we are supplying more than 30 thousand shops locally.

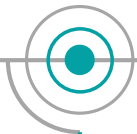

As a result of being a global player for many years, we are an accredited supplier for biggest chains such as Walmart, Carrefour, Metro, Daiso and etc. Our company as well as our factory in Turkey (Europe) is periodically being audited by these hypermarkets.

With the help of our advantages, being both the producer and a licensee, with our reasonable price advantage, we always catch big fishes.

Furthermore; detailed information will be presented in the achievements and core strenghts sections at the following slides.
