OUR GRINDERS

Our **Grinders** include a wide range of styles, designs, colours, sizes and materials to choose from.

Crafted from a variety of materials, the grinders will harmonise tabletops and enhance table settings.

Choose from elegant wood, acrylic, or sleek metal options. Each piece is meticulously designed to not only elevate the aesthetic appeal but also provides durability for extended use.

ICON GUIDE

NEW **PRODUCT**

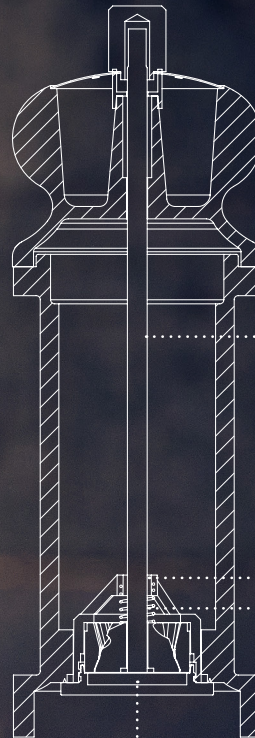

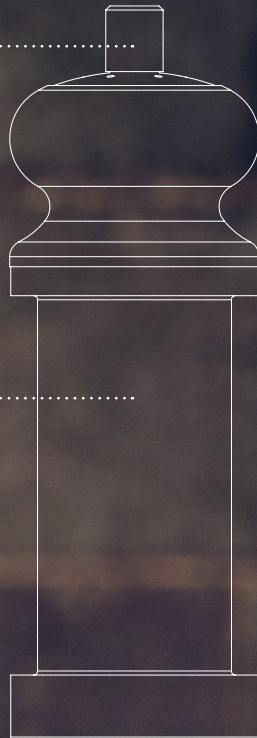

SPARES **AVAILABLE**

ADJUSTABLE KNOB

Turn the knob clockwise for a finer grind and counter-clockwise for a coarser grind

GRINDER MATERIAL

The grinders are designed in various materials to align with the aesthetic of any dining setting.

STEM

Made from high-quality aluminium to prevent the metal from breaking and contaminating the seasoning

GUIDE BAR

Holds the stem in the centre for a steady performance

SPRING

Maintains a gap between the inner and outer mechanism. This enables a consistent grind from fine to coarse

CERAMIC MECHANISM

The ceramic milling technology accurately strips and grinds both peppercorns and salt crystals every time

The strong, transparent acrylic material allows easy identification of contents and the amount to signal when a refill is required.

There are a variety of shapes and sizes to choose from to complement your tabletop aesthetic.
