Made From Recycled Plastic

This is an environmentally friendly plastic product made of 100% recycled materials.

By combining materials such as recycled paper and plastic and recycled materials from home appliances, we have achieved a product made of 100% recycled materials. Compared to existing plastic products, this product reduces "Greenhouse Gas" emissions.

<Label>

Use craft paper which is made from kraft pulp (wood)
Compared with normal paper, will not bleach by using chemicals, so that it's more environmentally friendly.

<Ink>

Use organic oil ink.
