# OUR STORY

Bazar Bizar is designed in Antwerp,  
handmade with love.

The Belgian interior brand was born out of a lifelong passion for travel and taking home some of the incredibly original design ideas of locals.

This supports the local economy and ensures no harm is done to the environment, as Bazar Bizar works directly with these family owned small businesses and oversees the process from production all the way to delivery. Having feet on the ground means having control over not only the quality of the products, but also good working conditions and fair wages for all workers.

All products are made from eco-friendly materials such as water hyacinth, rattan and bamboo. Everything offered by Bazar Bizar is both ecological and fair trade, two important aspects of a truly sustainable brand. And we keep improving ourselves non-stop.

Enjoy our new collection!
