A Successful Product Worldwide

SINCE 1976

"The pen is the tongue of the mind."

-Miguel de Cervantes

Writing has always been, and will continue to be a pleasure for many and we, at Montex strive for enhancing this pleasure.

Since writing instruments are in a constant state of evolution, we make it a point to continue innovation and precision in every single instrument we create. Quality policies, stringent standards, professional outlook and international class are our strong points that make us the leading manufacturer in writing instruments in India, and abroad as well.

It gives me great pride and pleasure to present to you an insight into the Montex range of writing instruments.
