HUSQ
VIETNAM

ALWAYS ASPIRING TO LEARN, GROW AND DEVELOP

ABOUT HUSQ VIETNAM

Who We Are

With dedicated, determined people Always aspiring to grow – learn – and develop. Perfectly preserving the quintessential culture of a traditional handicraft village HUSQ VIETNAM – QUALITY IS WHO WE ARE

HUSQ VIETNAM operates a state-of-the-art factory with a professional production area of 75.000 ft² at Dong Nai. Equiped system of modern machinery and using advanced technology with more than 100 experienced employees, and professional technicians, HUSQ VIETNAM always holds to the highest criteria of quality in everything we do.

Vision

With an unwavering vision to become one of the leading manufacturers of handicraft products in Vietnam, while continuing to promote the inherent strengths of wooden products, HUSQ VIETNAM is increasingly favored by domestic and foreign customers. Today, HUSQ VIETNAM products are known as a leading, high-class brand in Vietnam with a system of showrooms, distributors and dealers all over the country. At the same time, it is becoming one of the famous garden products manufacturers of the world.

Mission

Bringing the Vietnamese culture into places of luxury, HUSQ VIETNAM continuously improves, fulfilling its mission of preserving the identity and reputation of its long-standing brand by the journey of elevating the quintessence of Vietnamese crafts to a new level while reaching out to the world. HUSQ VIETNAM is grateful to all who have contributed to this mission and we cherish all of our customers and partners who are willing to join us in connecting, preserving and spreading this value of “Quintessence from the soil, sophistication from the people”,

Like our natural-finish fiber cement products, these planters are 30% lighter than standard concrete, stronger and more weather resistant.

The planters are then hand-finished for a swirl design that is unique to each piece. Available in Graphite, Bay and Rose coloring.
