TTK Prestige

L I M I T E D

We are No.1 Kitchenware company in India and our brand 'Prestige' in India is a popular household name and most trusted brand. Our company is known for innovative products, every single product is built on the pillars of innovation, safety, user friendly, ecofriendly and sustainability.

Mission of our company is to delight our consumers through constant innovation with a clear objective to provide quality products at affordable prices.

We are one of the world's leading manufacturers of pressure cookers and cookware with company owned and operated five different factories in India. We manufacture pressure cookers meeting every relevant global standard.

Coming to cookware, we make Roller Coated Nonstick Cookware, Aluminium Pressed Nonstick, Forged Nonstick, Ceramic Coated Cookware, Hard-anodized Cookware, Hard-Anodized Nonstick Cookware, Stainless Steel Cookware both with and without Nonstick and Triply cookware. We also offer Aluminium Diecast and Pre-seasoned Cast Iron Products. We would like to emphasize that we have totally automated Hard-Anodizing plant to deliver the best quality products.

We use high quality food grade raw materials; all components pass through stringent quality standards. You can always expect consistent quality products. We use reputed and branded coatings in our cookware.

We look forward to doing business in OEM and can quickly customize products as per specific requirements of buyer in terms of thickness, material grade, coating preference, handle design etc. Our turnaround time is quick, we have expanded our manufacturing lines thereby creating huge spare capacities to meet the demands of our existing and new accounts.

We are SA8000 certified, ISO 9001:2015, ISO 14001 & ISO 45001 certified, PED/CE Certified, GSV certified and GreenCo certified factory. Our company has been certified as "Great Place to Work".

We also take pride in carrying out our CSR activities and fully sustainable plant to reduce carbon footprint, reduce waste and conserve water.

We welcome you with your enquiries and look forward to serving. Kindly get in touch.
