ABOUT US

Established in 2012, we commits to designing, manufacturing and marketing of Eco-friendly MADE-IN-THAILAND wood products.

We invest in Thailand-based factories to produce our key products ensuring our competitive advantage in the global market.

At the same time, we are strategically cooperating with professional manufacturers to expand our product lines. To meet our customers' various requirements and provide more comprehensive product solutions.

We gained a reputation for our wide ranges of innovative products, satisfactory quality, efficient operation and professional services provided to our clients in more than 30 countries globally.
