About us

Navigate®

Zhejiang Navigate Industry & Trading Company Ltd was established in 2005, located in Wuyi City, Zhejiang Province. Wuyi is located approximately 10KM from Yongkang City – the Capital of Hardware in China.

Our Factory specializes in the manufacturing of Vacuum flask and Stainless Steel Bottles, aluminum bottles. With our Large Scale Manufacturing Facility, we can produce over 40,000 units of product per day.

Over the last many years, we have established a very strong R&D Team that allows us to provide New Development and Designs to our Customer. Whether you have your own Designs or Patented Items, we can assist you in to develop of these items fast and efficiently.

When we introduced ISO9001 into our company, we established a High Quality Control System. With this control of the Manufacturing Process, we have established our Company as a leader in our field of Business providing our Customers the Highest Quality of Manufacturing and Service.

North American Market- FDA Certificate
The use of major materials through the United States authority certification, to ensure product safety
