CONTENTS

Last Road SL is a Spanish company with deep experience in the world of design and production of fashion and gift products.

PEPITA VIAJERA is our brand of travel and gift items aimed at both adult and child audiences.

PEPITA VIAJERA stands out because the products are designed by teachers, accompanied by an educational component, and their designs reflect the adventurous spirit that distinguishes the brand .

We are located in the southeast of Spain, in Elda (Alicante), on the Mediterranean coast, which characterizes our way of being and working.

COMPANY

BRAND

PEPITA VIAJERA arises from an educational project with the aim that our products, in addition to accompanying us on our travels making them more comfortable, bring us closer to curiosities of the world, to the cultures of different countries, always respecting the environment.

PEPITA VIAJERA teaches us how traveling and learning enriches our understanding of reality.

The creativity, fun, and authenticity of its image, the courage to explore new cultures in the design of our products, all this, together with quality and care for the environment, make PEPITA VIAJERA the best travel companion on your adventure.

COLLECTIONS

All we are is reflected in our proposal.
Below, we present some of our latest
collections:

JAPAN

Tradition and
modernity come
together in this
collection to
accompany us on
the journey to the
Land of the Rising
Sun. A line where
simplicity and
elegance invite
introspection.

PEPIKUSAMA

Collection inspired by
Yayoi Kusama, the
Japanese artist queen
of psychedelia. A fun
collection that invites
you to think and
travel outside the
circle.

COLLECTIONS

PEPITAS OF THE WORLD

A world without borders and multiculturalism is what this collection offers. It invites us to travel and learn about different traditions and cultures to understand.

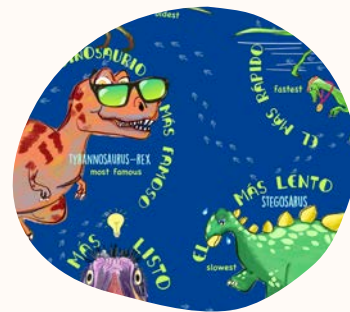

GREETINGS

Greeting is the first word when meeting someone anywhere in the world. This collection represents a lifestyle, walking, working, living ... but doing everything as if you were travelling.

COLLECTIONS KIDS

DINOSAURS

The wildest and most fun collection. A journey through time to learn the coolest curiosities about these prehistoric beings. Education, fun, and imagination.

GREETINGS FROM AROUND THE WORLD

We bring the diversity of the world to the youngest travelers by teaching them greetings in different languages from around the world.

COLLECTIONS AND GAMES

EDUCATIONAL GAMES

In addition to gift items, at PEPITA VIAJERA we love games, so many of our collections include fun educational games designed to be comfortably taken on our travels .

SUSTAINABILITY

RECYCLED

Taking care of the environment is one of our priorities, which is why more than 90% of our products are made from recycled materials.

This way, **PEPITA VIAJERA** contributes to make us and our children aware of the importance of maintaining a healthy world.

We work for sustainability, balance between design, quality, and respect for the environment.

TEAM

The PEPITA VIAJERA team is united by the spirit of travelers, the desire to discover new things, the courage in the face of challenges, creativity...but above all, a human and sensitive spirit to what surrounds us, respecting diversity and different cultures.

For this reason, we also want to share this experience with you and invite you to take part with us in this adventure.

"Feel the emotion of traveling, dare to know the world, and you will understand"

PEPITA VIAJERA

Thank you
