About us

Red Home Living was established in 1952 as Krishnas Asian Arts; a family-run business specializing in exporting decorative handicrafts and household products internationally. Now rebranded as Red Home Living, the company continues to specialize in the design, manufacturing, sourcing, and exporting of wholesale quality products. Our range which includes fresh and innovative wooden acacia products, terracotta, iron furniture, and marble is distributed and sold in international home décor brands around the world. Our products include kitchenware, home décor, accessories, and furniture. Additionally, we can cater to all types of wholesale buying and private-label sourcing and manufacturing. We are not limited in our sourcing and can provide an extensive selection of quality goods and products to suit your products. We are leaders in sourcing different materials and products for project-specific decoration such as residences and hotels and resorts. With over 70 years of experience delivering products globally, we pride ourselves on service excellence at all levels. Explore our catalog or send us a message to find out how we can help you on your next project.

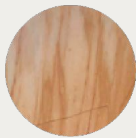

Marble Colours

Elevate home decor with the timeless elegance of Thai marble. Our company specializes in sourcing and distributing unique, high-quality marble, featuring a stunning array of colors and patterns found exclusively in Thailand. From the rich, deep hues of black and gold to the delicate, ethereal shades of pink and green, our Thai marble collection offers endless possibilities for creating stunning and personalized home decor.
